Dear Parents/Guardians

I trust that you are well and that your children are coping with the classes assessments that they are busy with.

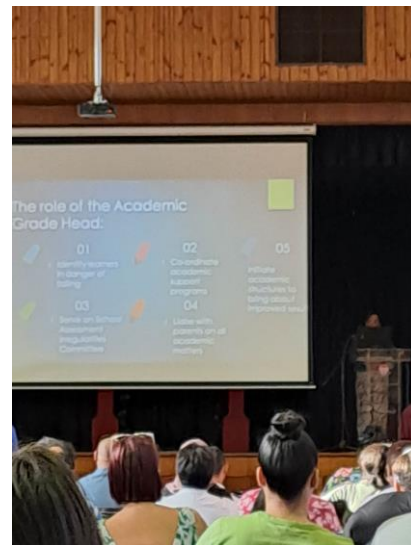

23 January at assembly learners were inspired by devotions given by Mr Abrahams. Mr Abrahams is new to Oude Molen, but he is an experienced Mathematics teacher who joined our team this year. Learners were all smiles after assembly.

24 and 25 January we had parent meetings for Grades 9 – 12.

Grade 12 Grade Head, Mrs Jacobs and Academic Head Miss Booysen;  
Grade 11 Grade Head Mr Jantjies addressing parents at the Parent Meetings.

Grade 9 Grade Head, Mrs Florence and Academic Grade Head, Mrs Swart addresses their parents.

Grade 11 Grade Head, Miss October and Academic Head Mr Piet had their meeting as well.

All the meetings went well.

Chess Results for 27 January: Oude Molen B Team v Wynberg Boys  
OMB won 8-0. Wow, what an achievement!

Congratulations to Mr Alexander and his team. Mr Alexander's commitment to the chess team has earned them this success. Well done!

On 9 February softball Oude Molen vs Rylands High School. We won 11-2. Was a great first match 🙌 we have such a great team this year and they had so much fun 🌸 ❤️  
Erin Wilson first time pitching, and she was great ✨

Our scorer 🙌 Mrs Swart. Our 1st game for the term ✨

Newest member-Tristan Russouw. Didn't let one ball pass him and his batting was amazing 🌟

Thank you Miss Z Jacobs and Mrs Swart for managing the softball team so well.

Parents, please note the following matters:

- Uniform check at home before your child leaves the house. Mornings are getting colder now. A school jersey may be worn under the blazer, no hoodies or other tops. School beanies only.
- Girls' hair must be tied up properly, although braids are allowed the length of some of the girls hair is a safety concern in the workshops.

The Box Cart racing day coming up on 17 March 2023; will be launched tomorrow, Tuesday 7 March. Excitement looms 😊

Thank you, as always, for being with us.

Regards  
Mrs Khan
